3. Go to FILE → SAVE AS

4. Older versions of Internet Explorer may look slightly different, but you need to save the document to the DESKTOP. The default file name is correct and the default file type should be .DOC. Click SAVE.

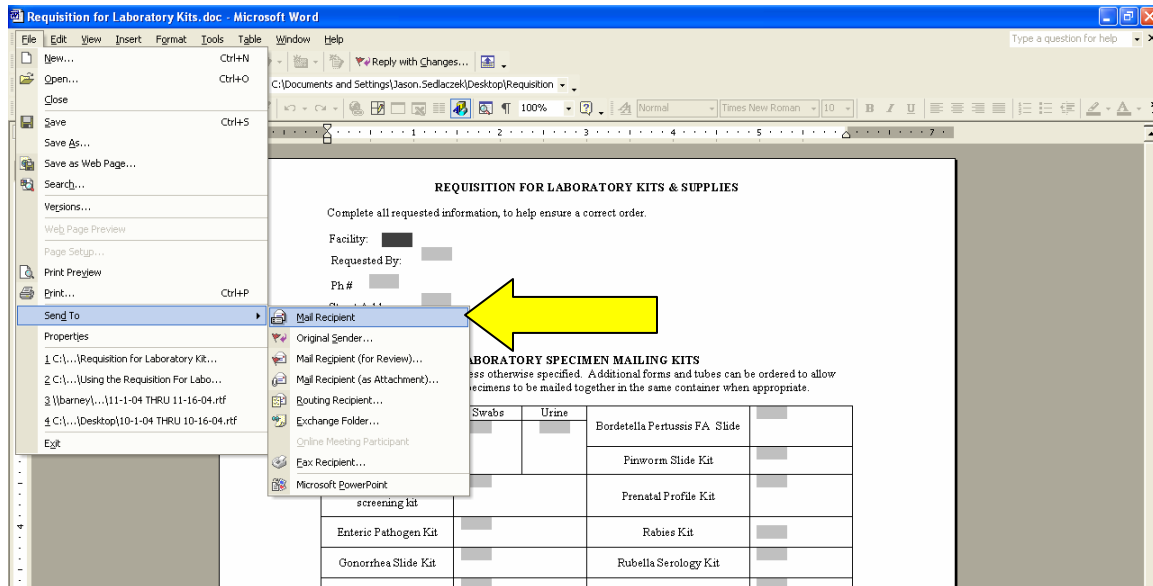

5. You can close the window and go to your desktop. You will have an icon on

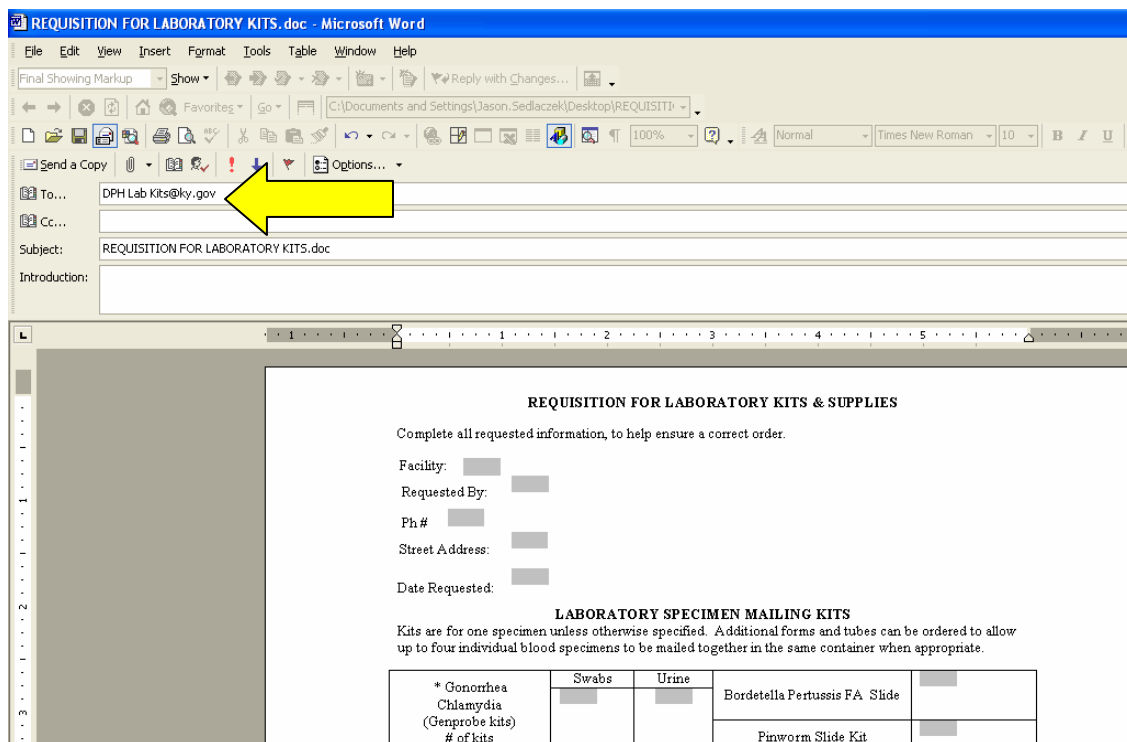

your desktop like this:

Double Click the icon.

6. Fill out the information in the form and go to FILE → SEND TO → MAIL RECIPIENT

7. You can now send the document to “DPH Lab Kits@ky.gov”. You may wish to add information to the “Introduction” field. Click SEND A COPY when done.

8. When you close the file, it may be best to save it as a different file name if you want to retain the information for future use. If you do not save the changes, the document fields will be blank the next time you open it.

If you have problems connecting to the website or downloading the forms, please contact Leigh Ann Bates at (502) 564-4446 ext. 4490.
